## OBJECTIVE

I am a final-year Computer Science and Business Systems student with basic knowledge of Java and web development. I am eager to learn, gain practical experience, and contribute to meaningful projects while developing my professional skills.

## EDUCATION

### Bachelor of Technology - Computer Science and Business Systems(CSBS)

|                                                                                 |              |            |
|---------------------------------------------------------------------------------|--------------|------------|
| K. Ramakrishnan College of Engineering                                          | 2022-present | 8.00(CGPA) |
| <b>Higher Secondary</b><br>Sri Ragavendra Matriculation higher secondary school | 2021-22      | 78.3%      |
| <b>Secondary</b><br>Sri Ragavendra Matriculation school                         | 2019-20      | 74.6%      |

## TECHNICAL SKILLS

- **Programming Language:** Basics in Java
- **Database Management:** Basics in Sql
- **Web Technologies:** Basics in Html, Css
- **MS office:** Word, Excel, PowerPoint

## MINI-PROJECT

### Alzheimer Disease Diagnosis Using Electroencephalogram (EEG)

- Built a machine learning model to help diagnose Alzheimer's disease using EEG brain signal data.
- Reached 97.5% accuracy with an Artificial Neural Network (ANN), showing strong potential for early detection.
- Worked on data cleaning, feature selection, and testing methods to make the model reliable.

**Tools and Technologies:** Python (model building), Scikit-learn (ML algorithms), TensorFlow (deep learning), EEG analysis (signal processing), ANN (high accuracy), SVC (comparison), Random Forest (testing & validation).

## INTERNSHIP

### Web Development Intern – Code Bind Technologies

July,2024

- Created and managed responsive websites using HTML, CSS, and related web technologies.
- Learned both front-end and back-end development, including databases and server-side coding.

## CERTIFICATIONS

- |                                                                         |          |
|-------------------------------------------------------------------------|----------|
| • <b>Azure Fundamentals:</b> Completed Azure Fundamentals certification | May-2025 |
| • <b>NPTEL:</b> Database Management System - 58%                        | Mar-2024 |

## ADDITIONAL SKILLS

- Adaptable
- Teamwork
- Leadership

## LANGUAGES

- Tamil (Native), English
